GREEN - Transitions involving EU Adults and authorities foster climate neutral cooperation, European Programme: Erasmus+

WHAT'S NEW?

TRAINING COURSE

A set of Modules concerning the New European Bauhaus principles, the European Green Deal, and the project implementation guidance is now available in 5 languages through the GREEN Training Course available on the [project website](#).

CANVAS - DIGITAL TOOL

The consortium of project partners prepared a step-by-step Canvas Digital Tool for creating individualized Action Plans for each project phase in line with the aesthetics, sustainability, and inclusion principles. The link for the Canvas Digital Tool is available [here](#).

GREEN TRAINING AND THE CANVAS DIGITAL TOOL WILL BE FREELY AVAILABLE ON THE PROJECT WEBSITE EVEN AFTER THE PROJECT END, APRIL 2024.

Partners from Romania, Greece, Slovakia, Iceland, and Spain met in person for the 4th time during the Final Transnational Project Meeting in Bratislava, Slovakia to discuss the completed tasks and the upcoming ones within the last months of the project implementation.

Thanks to the whole partnership for the active involvement and effective discussions.
